

ABOUT

Extension's Landscape & Grounds Maintenance Short Course is for landscape professionals to learn up-to-date science-based information.

VIA ZOOM

The Short Course is offered online via Zoom. The classes are only available during the live presentation on the specified date and time. They are NOT available to view later.

An email will be sent from Zoom the day before the class to registered participants with their personal link to access that specific Zoom session. This requires a unique email address for EACH registrant.

FEES

All four weeks = \$60*
Weekly Session = \$25*

REGISTRATION

Register by mail using form on back or at <https://www.regpack.com/reg/LGMSC26>

Remember, each registrant must have a unique email address to join the Zoom.

MORE DETAILS

For details about the Short Course and speakers, visit the Short Course website <https://waukesha.extension.wisc.edu/horticulture/lgmsc/>.

* NO REFUNDS

To ensure equal access, please make requests for reasonable accommodations as soon as possible prior to the scheduled program, service or activity. If you need this material in another format please contact the program coordinator.

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements.
