

# Extension Waukesha County 4-H Project Night at the Expo is open to All Enrolled 4-H members!

Wednesday, May 6, 2026

Time: Session 1: 5:30-6:15 & Session 2: 6:30-7:15 pm

Location: Waukesha County Expo Center – Forum Building: South Hall

1000 Northview Rd, Waukesha, WI 53188

**Reminder: you must sign up to participate in project learning sessions!**

## Fair Q & A

This is a great time to get your Fair entry questions answered! Fair staff will be available and open for specific to your project questions.

Session 1 & 2

## Goats

This session will help youth learn all about Goats. Participants do not need to have goats to come learn and engage in hands on fun! Session 1 & 2: all ages

## Love Bug Creation Station

Come on over and help prepare kits for the Love Bug project (a friendly sewn bug that can help make a child's day better). Youth & parents looking to contribute to the Countywide Community Service project should sign up for a session of service prepping these kits.

## Rocketry

Youth will learn how to assemble model rockets. All rocket building supplies and kits will be available and the cost of this project is \$5 per youth. The rocket project will meet at 2 additional project nights in preparation for the **launch** on Friday, May 8<sup>th</sup> 5-8pm. Session 2: age 9+ or 3<sup>rd</sup> grade+

## Youth Leadership Group

Youth leaders will be learning & practicing Customer Service Skills and how to make change in preparation for life skills & working at the 4-H Food Stand this summer. Session 1: College & Career Skills, Youth Leaders or anyone interested in joining this group + Snack Time

Sign Up

## Horse & Horseless Horse

The project is available for any horse-loving members whether or not they own or have access to a horse. Educational opportunities will be available for any interested youth.

Session 1 & 2: all ages

## Photography

Join Troy Freund, of Mike Crivello's Cameras, to learn more about professional portrait photography. Photographers of all experience levels are welcome! Youth need to have access to a CHARGED camera or phone!

Session 1: K-5<sup>th</sup> grade, parent support may be needed Session 2: 6<sup>th</sup> grade+

## STEAM

Learn about the stretchy world of polymers—those amazing long chains that make up everything from slime to rubber bands! In this messy project, you'll learn what polymers are and why they can grow and expand like magic.

Session 1 & 2: all ages
