

Waukesha County 4-H 2026-2027 Enrollment – Selecting Projects

When enrolling in 4-H Online, you will be asked to select the types of projects that your child *might* be interested in participating in. 4-H uses these selections to gauge interest in each topic and to guide programming during the upcoming year. When enrolling, select ALL projects that you might have interest in—this does not obligate you to participate in everything you choose. If a project is not offered by a leader in a given year, youth may explore a project independently, or several members interested in the same subject or topic can form a project group.

Expressive Arts

Arts & Crafts
Art Appreciation
